Subject - Fashion Studies Grade 11 & 12	Graduate	2007	Computer Science	BFT - Bachelor of Fashion Technology	I studied at Nirmala College of IT, Chalakudy. Now it is developed to a great extend. So children can opt to study there if there are willing for private colleges. My course about fashion is not available everywhere so it was easier for me to access it at Chalakudy. Fashion field has a vast area of employability. It is just not the glamour that is seen outside, inside it is a very serious and upcoming employability field
